**For best results residents should have all properly prepared materials at the curb no later than 7:00 am. Remember, you have a service day not a collection time, routes run until finished. For any service issues always call MMWA at (989) 781-9555 within one business day of your service day.*

TRASH

NON-RECYCLABLE, NON-HAZARDOUS MATERIALS

All trash should be placed into the MMWA cart with the blue lid.

- *Residents should have their trash out by 7:00 am on their regular collection day. If your properly prepared materials were out by 7:00 am but not picked up, please leave them out until they are serviced.*
- *Report all missed collections on your service day or before 5:00 pm the next business day by calling MMWA. Each resident has a one business day window to report a missed pick-up.*
- *Place your cart within 6 feet of the curb.*
- *Place your cart with the lid opening towards the street, and the handle side toward the residence.*
- *We recommend residents bag their trash before placing it in the cart.*
- *Allow 3 feet on each side of the container for the collection equipment to operate.*
- *Materials should not extend more than 12 inches over the lip of the cart.*
- *Holidays that fall on weekdays cause collection to be delayed one day for that day and the following service days for the rest of that week. MMWA observes the following holidays: New Year's Day, Memorial Day, Independence Day, Labor Day, Thanksgiving Day, and Christmas Day.*

BULKY WASTE

MMWA residents are allowed up to two bulk items per week. Bulk items should be placed at the curb , along with your other properly prepared materials, no later than 7:00 am on your regular service day. MMWA does not schedule bulk pick-up in advance. The trash driver is responsible for collecting your properly prepared bulk item or getting it scheduled for pick up. If the truck is full, or the driver is not able to collect the item by himself, the driver should be placing an orange sticker on the material marking the box that reads item pick up scheduled do NOT remove from the curb. The bulk truck runs 1-2 business days behind the regular trash truck.
