MEMORANDUM

To: All Proposers

From: Katharine Tessin/Administrative Director

RE: Addendum #04 – MMWA Request for Proposals for Solid Waste Services

Date: Friday, February 4, 2022

This addendum has been issued because of the following:

Answers to questions:

Are the composting charts included in Addendum #03 new?

Yes. Those composting pricing charts are specifically for any Bidder bidding only on providing composting service.

Are the charts on pages 71-72 labeled on call meant to be for extra dumps of a two (2) , four (4) or eight (8) yard dumpster or twenty (20) or thirty (30) yard roll off? For example, is this pricing chart for when a municipal office that has a dumpster needs an off-cycle dump?

No. See pages 21 - 22. On call service, in this instance, is for situations such as litter abatement enforcement, illegal dumping, evictions and yard waste collection extension (labor only). It has two elements. One: a portal to portal hourly labor rate. Two: the cost of the dumpster or roll off. This pricing would be set 30 days before the end of each calendar year.

All other bidding terms, requirements and conditions continue as indicated in the remaining original bid document.

In the submission of their Bid, Bidder must acknowledge receipt of this addendum. Bidder shall acknowledge this addendum by signing and returning one copy of this notice with their submission.
