# TRASH

## NON-RECYCLABLE, NON-HAZARDOUS MATERIALS

- Residents should have their trash cart out by 7:00 am on their regular service day.
- If your properly prepared materials were out within the proper timeframe but not picked up, please leave them out until they are serviced.
- Report all missed collections on your service day or before 5:00 pm the next business day by calling MMWA. Each resident has a one business day window to report a missed pick-up.
- Place the cart within 6 feet of the curb.
- Place your cart with the lid opening towards the street, with the handle side toward the residence. Allow for 3 feet on each side of the container for collection equipment to maneuver.
- Carts that contain contamination such as yard waste will not be collected. If you see an orange hanger, it probably means your materials are improperly prepared.
- Place trash cart and bulk away from your mailbox, parked cars, poles, or low hanging limbs.
- Holidays that fall on weekdays cause collection to be delayed one day for that day and the following service days for the rest of that week. MMWA observes the following holidays: New Year's Day, Memorial Day, Independence Day, Labor Day, Thanksgiving Day, and Christmas Day.
- Each member community determines the level of services their residents receive. Visit your community's page on our website at [www.recyclemotion.org](http://www.recyclemotion.org)

All trash should be placed into the MMWA cart with the blue lid.

## BULKY WASTE

MMWA residents are allowed up to two bulk items per week. Bulk items should be placed at the curb, along with your other properly prepared materials, no later than 7:00 am on your regular service day. MMWA does not schedule bulk pick-up in advance. The trash driver is responsible for collecting your properly prepared bulk item or getting it scheduled for pick up. If the truck is full, or the driver is not able to collect the item by himself, the driver should be placing an orange hanger on the cart marking the box that reads item pick up scheduled do NOT remove from the curb. The bulk truck runs 1-2 business days behind the regular trash truck.

## YARD WASTE

Place yard waste in cans (rigid plastic container with handles) 20-35 gallons in size or in paper yard waste bags. Cans must be labeled with "Yard Waste Only" stickers, available through MMWA or your municipal office. Yard waste cans and bags must weigh less than 50 pounds each. Twigs and grasses cannot extend more than 12 inches above the lip of the container.

# RECYCLE
