Bethany Township is a member of the Mid Michigan Waste Authority (MMWA). The Authority was formed in 1991 to secure better prices and a wider array of services for approximately 69,000 households across its 34 member communities. The Authority currently manages the trash collection and disposal, recycling collection and processing, and yard waste collection and composting contracts for these 34 member communities. Through MMWA, your community has chosen to continue with Waste Management (WM) as its service provider for trash.

Contact the Mid Michigan Waste Authority for questions regarding trash. MMWA's office hours are from 8:30 am to 5:00 pm Monday through Friday. Residents can leave a message during off hours or if all phone lines are busy. Calls are typically returned on the same business day.
