Passed unanimously.

VII. Organizational/Administrative Items: Information &/or Approval

A. 2026 Executive Committee Slate

Brant Twp/Cooper has submitted her resignation from the Executive Committee as Vice Chair and Trustee. Cooper was recognized for her years of service and thanked for her many and vital contributions to that Authority. As a result of her resignation, a new Vice Chair and an additional Trustee will need to be appointed to the Executive Committee. Richland Twp/Grose has expressed interest in serving as Vice Cahir, with Maple Grove Twp/Peterman proposed to fill the open seat on the Executive Committee. Tessin stated that Peterman owns Resourceful Recycling, a business that provides dumpster rentals as well as electronics and pallet recycling, and MMWA regularly refers residents to this service. Tessin stated that because MMWA operates under set contracts, this would not constitute a conflict of interest; however, if an issue arises where a decision could benefit Resourceful Recycling, Peterman would be required to abstain from voting.

Motion by Tittabawassee Twp/Metiva, seconded by Richland Twp/Grose to approve the 2026 MMWA Executive Committee Slate as presented.

Passed unanimously.

B. 2026 Meeting Schedule

Motion by Richland Twp/Grose, seconded by Tittabawassee Twp/Metiva to approve the 2026 MMWA Meeting Schedule as presented.

Passed unanimously.

C. WM Update

Tessin reported that operations are running smoothly. The last day of yard waste collection was Friday, December 5, 2025. Charboneau/WM reported that the season went very well.

D. Priority Update

Tessin reported that curbside operations are running smoothly. Trustees received an email detailing the disruption affecting the City of Saginaw due to a payment dispute between Priority and WM. The City of Saginaw recycling trucks were being turned away from the WM MRF. Priority is currently undergoing a recapitalization process. Despite these issues, curbside operations for MMWA communities remain stable and all materials are being collected.

E. Materials Management Planning Committee/Park 115 Update

Tessin stated that she submitted her resignation to the MMPC. She noted that committee members continue to send her emails to keep her informed. The DPA sent EGLE a 2.5-page letter outlining items that needed to be addressed, including timeframe expectations, product quality, and other operational requirements. A MMPC meeting is scheduled for this afternoon; however, conditions remain largely the same with no forward progress.

VIII. Program Items:

A. Holiday Light Recycling Drive Update

Thayer stated that there are 21 locations participating in the Recycling Lights program for drop-off. She further noted that the program began on November 15.

B. 2026 HSW Drop Off Schedule

Tessin stated that rates for 2026 applied to the 2025 volume and composition would result in an increase of less than \$5,000. She noted that ERG, MMWA's long time partner, has been acquired, but operations and pricing are expected to remain consistent for the coming year.

Motion by Tittabawassee Twp/Metiva, seconded by Richland Twp/Grose to approve the MMWA's 2026 HSW Schedule as presented.
